Please allow this to serve as my letter of recommendation for Kolt Barber.

Kolt was the final act of our 75th Annual Rodeo of the Ozarks and did an outstanding job.

Not only did Kolt put on a great show, he and his crew were a pleasure to work with and were the ultimate professionals.

A big crowd stayed for the show and it was a wonderful finale to one of the best rodeos in our 75 year history.

Kolt Barber would be a great addition to any rodeo, if you would like to visit more please feel free to call me at 479-799-5550.

All the best,

FROM: McCone County Fair PRCA Rodeo Committee, Circle, MT
RE: Kolt Barber Performance Recommendation

Ladies and Gentlemen,

This communication will introduce Kolt Barber and his staff.

We had the opportunity to work with Kolt and his team to secure and coordinate his performance at our August 2020 event in Circle, Montana. After working the Kolt Barber team, we would highly recommend them.

They were a pleasure to work with and so accommodating. Kolt was kind enough to secure and conduct various interviews in our area to promote our event, and they worked diligently to meet the challenges of our small performance area at our location.

Amidst COVID-19 restrictions, the concert was a total success and a great addition to our fair and rodeo.

We believe our small community loved having entertainment following our PRCA rodeo, and who better to follow than a true country music traditionalist and talent such as Kolt Barber?

Best regards,

To whom it may concern,

I am writing in reference to a wonderful person, Kolt Barber.

Please accept this letter as my personal highest recommendation for Kolt Barber and his band. Our organization has been truly blessed with the honor and privilege of spending time with Kolt and his band for the last two years. Kolt is a great person with a humble demeanor.

Kolt and his band have performed before our Abigail's Plan Bulls and Barrels event in 2018 and again in 2019. Everyone loved Kolt's live performance so much the first year, we were excited our schedules worked out for him to come back this year. Kolt opens our event for us and gives our crowd of 4,000 plus people an absolutely awesome concert experience. Our event draws people from a region wide area and Kolt has become a huge part of our event.

In our small county, we have a baseball league for people with disabilities that has grown from 11 players to over 100 players in its 10-year existence. God blessed my wife and I with Abigail, our daughter who has Down Syndrome. Abigail is the inspiration for the creation of our baseball league.

Kolt and his band have gone above and beyond the call of duty both years and participated with our players with disabilities in our baseball game at 9:00 am on the morning of our bulls and barrels event. Our kids love meeting Kolt and the band at our Miracle Field facility. Kolt displays unconditional love in his interaction with our players with disabilities and has even visited with one of our players in Vanderbilt hospital after seeing our posting on facebook asking for prayers of healing.

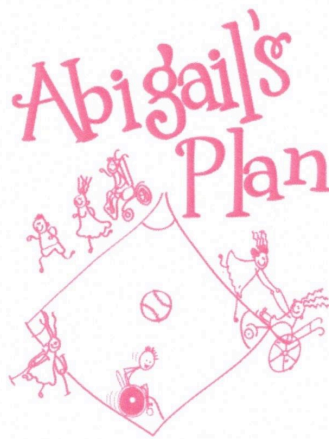

Kolt and his band have many wonderful qualities that give me confidence to recommend them for your event. I know that if you choose Kolt, you will be very pleased.

Please don't hesitate to call me at 931-629-8859 for more information.

Best Regards,
